The Path of Mahamudra Meditation Annual Retreat

May 24 - 30 2026 - Crestone Colorado

Held at the beautiful Vajra Vidya Retreat Centre in Crestone, we are delighted that Venerable Khenpo Lobzang Tenzin will once again join us and lead our Crestone Retreat, giving teachings, leading meditation sessions and pujas. As well, we will have wonderful audio teachings by Traleg Kyabgon Rinpoche IX and study group discussions led by senior students.

The opportunity to participate in retreat is precious. The E-Vam retreat is suitable for beginners or the more experienced. The retreat environment is both disciplined and relaxed. We devote time for meditation, teachings, discussion, and time for participants to enjoy this tranquil and peaceful environment.

Venerable Khenpo Lobzang Tenzin is highly-regarded teacher under Kyabje Thrangu Rinpoche in the Kagyu lineage of Tibetan Buddhism. Acclaimed for his broad understanding and beloved for his cheerful manner and kindness, he unites a natural affinity for teaching with sound expertise in Tibetan Buddhist philosophy and practice.

Booking is essential for retreat. The retreat information sheet provides details regarding all aspects of the retreat. This includes a description of the comfortable accommodation, advice and assistance for travel including travel from Denver airport to the retreat center in Crestone. Vegetarian meals are provided, and we can accommodate most special dietary requirements.
